Dear

Assoc. Prof. Ir. Dr. Nazrul Anuar Nayan
Faculty of Engineering & Built Environment/ Institute of Islam Hadhari
Universiti Kebangsaan Malaysia
43600 UKM Bangi Selangor.

Greetings from Apple!

We are excited to inform you that STDC together with Apple Professional Learning Specialist and Apple Swift Trainer will be running a 3 weeks SwiftUI Academy, details as follows:

Date : 4th September - 23th September 2023

Venue: STDCX

No 1, Worldwide@7,
Jalan Lazuardi 7/29, Seksyen 7
Shah Alam

There will be 50 students attending this workshop with support from 10 APLS/ Apple Swift Trainer. and by the end of the 3 weeks they will be showcasing their iOS App.

The poster features a background of water splashes in shades of blue and orange. At the top left, the logo for 'STDC' is displayed in red and yellow. To its right is the Apple logo and the text 'Consultants Network'. The main title 'SwiftUI ACADEMY' is written in large, bold, dark blue letters. Below the title, a yellow banner reads 'FDU TOURISM VERSION'. A QR code is positioned to the right of the title, with the text 'Register Here:' underneath it. A text box on the right side of the poster describes the 18-day program. On the left, a blue box contains the dates '04 - 23 September 2023'. Below the dates, three water droplet icons precede a list of course benefits. At the bottom left, the word 'Requirement' is followed by three blue water splash icons and a list of three requirements.

The SwiftUI Academy program is 18-day programme where you will be given the opportunity to create an iOS app to solve a real-world problem of your choosing. Skilled mentors will guide you and your team through the app development cycle from planning, designing, coding, and presenting your app. Regardless of your background, coding proficiency, or career path, this programme aims to equip you with a fundamental understanding of developing apps and inspire you to build your ideas in the future.

04 - 23 September 2023

- 18 Days fully sponsored course
- Training equipment (Macbook & Ipad) provided
- International level Course

Requirement

- Enrolled as a student in any course or major
- Priority to Selangor state citizen
- commitment of 8 hours/day 6 days per week for 18 days

STDCx | **Apple** Consultants Network

SwiftUI ACADEMY

EBU TOURISM VERSION

Course Synopsis..

#1 Problem identification, grouping, and preliminary Research

- Group Forming
- Research
- Problems Statements
- Solution Statement & User Stories

STDCx +6013-2897828 – Dr.Harizal Hamid
<https://www.stdcx.edu.my/>

I would like to invite Prof or your colleague from the UKM to this workshop to engage with the team and learn our process/methodology and framework in developing iOS App. From here you will get to prepare to be part of the team and to take up the Apple Swift Trainer which is world wide recognise. For your info at the moment we have 3 certified trainer in this program and 4 in total in Malaysia.

We look forward to have you to join us .

Thank you

Regards

Wan Noraini Wan Daud
